

Activities to Date

Updated April 6, 2023

Robin Manley continues her work renewing community contacts and connections and providing support for neighbors, volunteers, staff and our ministries. Among others she works to connect our neighbors with other community resources.

The Committee is reviewing the roles and activities of various outreach committees and task forces (including among others OCC, A Way Forward, service teams, and the racial justice group), with a view toward the optimal structure going forward.

Volunteer training and orientation has been conducted, with 80-90 participants at each session. Among others, Narcan training was offered and kits are available throughout the COC.

The Committee continues to discuss OCC operational details. UR Well is seeing patients and the Storehouse is open. The DCC is poised to open Easter Sunday and will likely serve W/Th/F and Sun. at the outset. Grocery Bag will share space with DCC. Community Garden is pursuing a beekeeping project.

A OCC open house is scheduled for May 24 coinciding with the Bishop's visit to the Church.
