

## Pre-construction Niche Acquisition Agreement Asbury First United Methodist Church Columbarium

I (or We) wish to purchase a niche (or niches) in the Columbarium at Asbury First United Methodist Church (hereinafter “Asbury First” or the “Church”), and understand that:

The Governing Board and the Congregation of Asbury First have approved the planning and construction of a Columbarium on the grounds of the Church at 1050 East Avenue, Rochester, NY 14607; and the Church is committed to the completion, administration and perpetual care of the Columbarium;

The Church plans to include 136 niches (each with space for two urns) in the initial phase of the Columbarium; the purchase of a niche entitles the purchaser to its use but not to ownership (which remains with the Church); and the use and administration of the Columbarium (including any niche purchased under this Commitment) will be governed by terms and conditions being developed by the Church;

While the cost per niche will be \$5000, the Church is offering a non-refundable pre-construction price of \$4500 provided payment is received not later than September 1, 2023. A pre-construction purchaser will also be entitled to priority in selecting his, her or their niche, with the order of priority determined by the date upon which full payment is received by the Church.

I (or We) hereby commit to purchase \_\_\_ niche(s) pre-construction price of \$4500 per niche.
